## DUNDEE HISTORY

Dundee Golf Club is a spacious 18 hole par 72 facility located in New Dundee, Ontario. The golf course, established in 1968, became GolfNorth's eighth acquisition in 2000. Spring fed ponds and creeks enhance the scenic beauty of this property, which sits on 110 acres of rolling terrain. A 30,000 square foot clubhouse rounds out the facility by offering clients a full-service banquet operation, restaurant and locker room amenities.

Dundee Golf Club was built by Tony Matlock, a Kitchener businessman who travelled all over the world to play golf. Tony and his 49 business partners purchased the land from the Sararus farm and set out to design a golf course on the 107 acres.

Working in conjunction with Ernst Landscaping and Rube Mussleman Excavation, the group was able to complete the course and open in June of 1970. It's unknown as to why the course has the unusual design of 6 par 3s, 6 par 4s and 6 par 5s. As only Tony could say..." *I guess I just wanted to be different!*"

## FUN FACTS

Course Record is 65 by Steve Pike on August 19, 1971 and Al Graham on June 3, 1992.

First Men's Club Champion: Tony Matlock, 1970  
First Ladies Club Champion: Jean Matlock, 1970  
(Both were the course designers!)
